

Campbell Union High School District EDUCATION FOUNDATION

LOCAL BUSINESSES SUPPORTING LOCAL STUDENTS

The Campbell Union High School District (CUHSD) Education Foundation believes that all students deserve an opportunity to succeed in the classroom and beyond. The goal of the Foundation is for all students to thrive, be inspired and prepared to embrace their futures.

Local businesses' financial support is critical to providing these wonderful programs that help students in all seven district schools: Boynton, Branham, CACE, Del Mar, Leigh, Prospect, and Westmont.

Teacher Innovation Grants

Empowering teachers to bring new ideas and teaching methods into the classroom to enhance students' enthusiasm and capacity to learn.

College & Career Fair Grants

Sponsoring the district-wide annual College Fair and district-wide annual Career Fair where students have the opportunity to learn about options available to them after graduation.

Student Empathy Grants

Supporting student-led efforts that promote a sense of belonging, inclusion, and understanding of different perspectives and life experiences.

Opportunity Grants

Supporting emerging needs including Wellness Centers which provide mental health education and services for students, and initiatives and programs that address equity and social justice.

BENEFITS

CUHSD Education Foundation offers multiple benefits packages to businesses providing financial support. See next page.

LOCAL BUSINESS MAKES A DIFFERENCE!

The Education Foundation relies on partnerships with local businesses, parents, and other individuals to expand the resources and opportunities for our CUHSD students. To learn more about this important cause, visit us at www.cuhsdef.org.

“ Tremendous thanks as always for your support of teachers. This grant is such an exciting opportunity. ”
