

Campbell Union High School District
EDUCATION FOUNDATION

THRIVE · INSPIRE · PREPARE

Expanding the resources and opportunities for the Campbell Union High School District community so that all students are thriving, inspired, and prepared to embrace their futures.

Robson Homes Invests in CUHSD Students

“Taking care of the children in our community is one of the most important responsibilities we have.”

Mark Robson, Founder & President, Robson Homes

Robson Homes’ leadership investments in the Campbell Union High School District Education Foundation have been pivotal in enhancing District students’ school experiences.

Since 2019, award-winning home builder Robson Homes has been partnering with the CUHSD Education Foundation in supporting the students of the Campbell Union High School District. A local builder with a deep commitment to its community, Robson Homes was an early investor in the Education Foundation. Sharing the Education Foundation’s aspirations for schools that equitably meet our students’ academic, emotional, and social needs, Robson Homes continues to provide financial support.

The Education Foundation thanks Mark Robson and Robson Homes for their visionary support. Please read below for our interview.

Why does Robson Homes partner with the CUHSD Education Foundation in supporting local students?

Robson Homes is a local business, and we want to support our local communities. One of the best ways we can do this is by partnering with and supporting organizations that are working to improve the lives of our children. CUHSD Education Foundation’s mission to “expand the resources and opportunities for the Campbell Union High School District Community” is important and worthy.

Why does Robson Homes feel it’s important to support the community and education?

Our children truly are our future, and investing in their education is one of the best ways to invest in our community. Education has the power to positively impact lives, and to create a stronger, more vibrant community. It improves the quality of life for all residents.

What would you like the community to know about Robson Homes?

We are a local, family-owned and operated company with nearly 35 years of residential building experience in Silicon Valley. A commitment to design excellence and quality is at the heart of all that we do. We believe that our work should be a positive addition to the community for generations to come, and that drives how we make decisions about the design, materials and overall quality of our homes and our neighborhoods. We are currently under construction on a new neighborhood of 40 new single-family homes in the Cambrian Park area called “Rosewood At Camden Park” for its adjacency to Camden Park and Community Center.

2023 Students Empathy Grants Awarded

*Holocaust Memorial at Leigh High School funded by the CUHSD Education Foundation's Student Empathy Grant Program
Photo courtesy of CUHSD*

The CUHSD Education Foundation supports students in taking the lead on promoting empathy within our schools. We fund student-led group projects that:

- help students see the world from a perspective different from their own
- provide an opportunity for students to learn from each other about their cultures, viewpoints, and experiences
- highlight the value of diversity in all its forms

The CUHSD Education Foundation was pleased to award four Student Empathy Grants this year:

Branham High School: **CUHSD Hackathon**

Del Mar High School: **Language and Culture Ambassadors**

Leigh High School: **Holocaust Memorial**

Prospect High School: **Debate Funds and Georgiana Hay's Invitational**
